## DRINK España, DEVORA España!

A Culinary Adventure through the Wine, Food and Culture of Northwest Spain

FROM Madrid to Ribera del Duero, Rueda, Toro, Cigales and more you'll experience a journey that features the best of food, wine and culture. We'll meet top chefs, dine at award winning restaurants and taste at centuries old vineyards with a small group in a culturally immersive experience.

**Eat, Drink and Enjoy Like a LOCAL**

email us at [I want to go to Spain!](#) to **SAVE** your spot

**FROM Day ONE to Day EIGHT**

You don't have to worry about ANY arrangements. We'll meet you at Madrid's Baraja Airport with our luxury bus and by early afternoon you'll be enjoying lunch with some new favorite wines. Your comfort and fun is our pleasure until our last day when we'll say Adiós until our next visit to unforgettable Spain.

**This isn't Your Ordinary Trip**

This is a hand-crafted experiential vacation - not some "run of the mill, see a new city every day and spend half of your trip on a bus" type of tour. We balance just the right amount of activity with a relaxed pace and ample free time. And it's not just for "wine experts" since we craft our travel to pair closely with fabulous food and cultural "off the beaten path" experiences."

**CULTURE**

We will, literally, come face-to-face with the ancient history of Spain, a place where Christians, Jews and Muslims have merged through the centuries to create an incredibly rich wine and culinary culture.

**Sit back, RELAX and encounter Northwest Spain. The food, wine, and culture are all ready to be discovered by YOU!**
